# Tasting Room

In order to fulfill the commercial needs of our exhibitors, the Organization of Salon Gourmets offers, with no additional costs, a fully equipped space for **1 full hour** for tastings and pairings so that professional visitors can experience the best wines first hand.

## Infrastructure:

- Space of 50 m2 approx.
- Tables and chairs
- Coordinator / waiter.
- Riedel glassware.
- Water, breadsticks and napkins.
- PA system.

The exhibitor can include any additional element (catalogues, roll ups) as well as the products needed to complement the tasting, such as kitchenware, auxiliary staff, audiovisual equipment (projector and projection screen) with the prior authorization of the Organization. Considering that this space is unique, the Organization will have it made available, according to the number of requests, order of receipt of applications and will adapt the schedules to the needs of both exhibitors and Salon Gourmets itself.

The infrastructure of the room is not designed for cooking. If this should be the case, please check with the Organization to book a Show Cooking Stage.
