

We want committed chefs!

The 3rd XChef Challenge by 1906 Beer awards the chef with the greatest positive impact on society, on April 18 at Salón Gourmets, Ifema Madrid.

The values promoted by Estrella Galicia, official beer of Salon Gourmets (SG), are summarized in this contest that gains followers every year rewarding the talent of new chefs and their creativity in the kitchen based on good practices such as zero waste or energy saving. Because today's gastronomy sets the standard for what we want to be in the future as it will be reflected from 17 to 20 April in halls 4, 5, 6, 7 y 8 Ifema Madrid, at Salon Gourmets.

This year XChef Challenge by 1906 develops the most ambitious edition so far, with local competitions that have already been held in Asturias, Castilla y León, Orense, Santiago de Compostela, Vigo, and soon in the Basque Country and Cantabria.
