

# SALÓN GOURMETS

## Salon Gourmets reaches 96% of its exhibition area

From 3 to 5 halls, more than 70,000 sq.m. packed with quality products. Nobody wants to miss the 36th edition of the most exclusive International Quality Food and Beverages Fair in the gourmet sector.

A fair bolstered by figures: over 2,200 national and international exhibitors, more than 100,000 visitors, more than 55.000 singular products and more than 1,200 activities. The new edition of [Salón Gourmets](#) promises to break records once again; almost three months before taking place –from 17 to 20 April at Ifema Madrid– it has already commercialized 50% more space than in 2022, growing from 3 to 5 halls.

Eight stages hosting the best professionals; sommeliers in the [28th Sommeliers Spanish Championship Tierra de Sabor](#), beer pourers within the competitions organized by Estrella Galicia, Official Beer of Salón Gourmets, where bartenders demonstrate how to pour the best beer in the [8th Beer-Pouring Contest Estrella Galicia - Madrid Competition](#) and the [Beer-Pouring Contest Estrella Galicia National Final](#), or those who harmonise haute cuisine with a positive impact in the [3rd XChef Challenge by 1906 Beer / Estrella Galicia](#) .

[Nespresso Professional](#) will once again be the Official Coffee of the SG with the best cocktails, recipes and masterclasses by its expert baristas. These are just a few examples of the more than 1,200 activities that the new edition will host.

### New contests, oyster pizza and lots of cheese

Three new competitions will take place at this edition; the [World Championship of Poured / Cider of Asturias](#), [GourmeTapa by Fuentes](#), and [Master Pinchos Gourmets #productoriojano](#). Those attending the [15th Spanish / Sorlut / Grupo Gourmets Oyster Opener-Écailleurs Championship](#) will be able to enjoy the oyster pizza that Jesús Marquina, better known as "Il Dottore Marquinetti", will prepare live during the contest.

Another novelty are the 5 new categories –for a total of 20– included in the [13rd GourmetQuesos, The Best Spanish Cheeses Championship](#). 100 finalists who this year are competing for the title, chosen from more than 1,000 samples submitted. Nobody said it would be easy to be the Best Cheese of Spain 2023.

The show is guaranteed!
