

A unique journey through Navarre

Navarre will have its own day at Salon Gourmets. On Tuesday 8 April, the Aula Gourmets (hall 4, Ifema Madrid) will be filled with flavour and experiences based on the gastronomic and cultural wealth of the region.

Navarre Day - Reyno Gourmet will bring together products endorsed by the Reyno Gourmet seal of quality. 13 Designations of Origin (DO) and Protected Geographical Indications (PGI) such as oils, cheeses, peppers, artichokes, asparagus, but also lamb, beef, wines, cavas and, of course, pacharán.

Hosted by the presenter Julian Jantzi, the day will begin with the traditional Navarrese 'chupinazo' and a 'lunch' with chistorra de Navarra, recently named PGI, and red wine from the DO Navarra. Afterwards, the attendees will be able to enjoy the products of the Navarrese market garden through their producers and the territory where they are grown. The participants will be able to taste a carpaccio of asparagus -the first of the season- cooked with Navarrese oil and accompanied by a rosé wine from the DO Navarra.

During the afternoon, visitors will be able to create their own DO Navarra wine labels, taste cheeses from the Roncal and Idiazábal DOs in a tasting session with commentary by experts and end the day with pacharán cocktails from Navarra and live music by DJ Carlos R. and Ahikar Azcona.

In addition, from 10:00 to 19:00, visitors will be able to enjoy immersive and technological experiences related to the gastronomy and culture of Navarra: virtually cycling through the Navarrese landscapes, discovering the harvesting of peppers, asparagus or the DO Navarra vineyards through 360° glasses and experiencing transhumance in Roncal Valley.
